

Plug CLEVER USER GUIDE

## WELCOME!

In this guide you'll find all the information you need to get the most out of your SPC smart plug.

## CREATE AN SPC ACCOUNT

A ton of free advantages just a click away.

Before continuing reading this guide, we recommend visiting **www.spc-universe.com**, CREATE AN SPC ACCOUNT AND REGISTER YOUR PRODUCT.

That way, you'll join the SPC universe: an exclusive club for our customers with great discounts, such as promotions to improve or update your SPC system.

Furthermore, with this account you'll have **free access to all of SPC's services**, like apps for tablets and smartphones and our technical support section.

That's SPC. A universe in technology.

# SPC IoT: "an app for your Smart Home products"

At SPC we believe in practicality and convenience, which is why we've worked hard to create a new app you can control ALL of your **SPC IoT** Smart Home devices from.

## INTERACTION BETWEEN DIFFERENT DEVICES AND MORE FUNCTIONALITY

Via our SPC IoT app you'll be able to get your SPC IoT devices to interact creating conditionals.

Do you want your living room light to turn on when your camera detects movement?

Do you want your air conditioning to turn on when the temperature goes up in your room?

Do you want to change the TV channel by speaking to Alexa or Google home?

You'll be able to find out how to do this and a lot more in SPC IoT apps detailed manual

Get access to technical support on our website **www.spc-universe.com** and download it!

## **BOX CONTENTS**

- SPC Smart Plug
- User Manual

## CHARACTERISTICS AND DESCRIPTION OF THE DEVICE

Smart Wi-Fi plug that:

- Can be switched on remotely.
- Is programmable.
- Has a timer.
- Lets you see usage statistics.

### ADD A DEVICE

Chose the type of product you want to add, in this case, "Plugs".

### SYNC YOUR DEVICE WITH THE SPC IOT APP

- In order for your plug to enter search mode: unplug and then plug it in again. If the device does not enter search mode, hold the on/off button for 5 seconds. The LED indicator will start to flash quickly (twice a second).
- Selection the "Confirm" option in the app.

- Enter the Wi-Fi password for your house or select the network if you're not connected.
- You'll see a progress indicator showing a percentage, after a few seconds your plug will be added correctly. If you are unable to synchronise your plug repeat the process again.

Now you'll be able to access the controls and functions for the bulb, even when you're away from home.

ΕN

### CONTROL PANEL

The features of the SPC Clever Plug are shown below:

- Switch: Switch the plug on and off.
- Program: Program it switching on and the settings for the plug.
- Timer: Count down until the plug turns off
